## JOIN US ONCE AGAIN AS WE RAISE OUR CLUBS FOR A GREAT CAUSE!

*Please join us Wednesday, September 13th, 2023, at Copper Creek Golf Club in Kleinburg, as we spend a fantastic day together on and off the course, to raise funds for a great cause.*

We are pleased to announce that this year, the SVP Sports 6th Annual Tournament of Hope will be raising funds once again to support the SickKids Foundation, an exceptional organization that is dedicated to the health and well-being of children in Canada and across the world.

## EVERYONE GETS THE VIP TREATMENT

Since our inaugural SVP Sports Tournament of Hope, together with your support, we have raised \$1,068,305 in Support of SickKids. As a thank you for your continued support over the years, we have elevated this year's Charity Tournament to include an on-course VIP experience, while you play at one of the most prestigious golf clubs in Ontario. With a spectacular course, exceptional clubhouse and great cuisine, we are excited to host this year's Tournament of Hope at Copper Creek Golf Club, and look forward to sharing a great day with you on and off the course.

**PLUS** everyone will have the chance to WIN a \$50,000 cash prize at our hole-in-one challenge!

## WHY SICKKIDS NEEDS YOUR SUPPORT

We will be raising funds for the **SickKids 2025** campaign, dedicated to ushering in a new era in child healthcare: **Precision Child Health**. What is Precision Child Health? It's a movement to deliver individualized care for every patient at SickKids – one that challenges a one-size-fits-all approach to medicine by using integrated data about each child's unique genes, biology and environment to tailor care.

Through novel technology and innovative precision approaches, and by building on the paediatric care excellence SickKids is already known for, SickKids will diagnose diseases more accurately, provide targeted treatments faster and help prevent disease sooner. SickKids will also partner with patients, families and communities to ensure that every child has access to the best possible care and the opportunity to participate in research, regardless of where they live or their socioeconomic status.

**PRECISION CHILD HEALTH**  
*No two are alike, every child is unique*

**We hope to see you there, and thank you for your continued support.**

**Frank Colarossi**  
President, SVP Sports
